THE CITY OF MILPITAS AND
[NAME OF CONSULTANT]**

THIS AGREEMENT for consulting services is made by and between the City of Milpitas ("City") and RMC Water and Environment, Inc., ("Consultant") as of _____, 200__.

AGREEMENT

Section 1. SERVICES. Subject to the terms and conditions set forth in this Agreement, Consultant shall provide to City the services described in the Scope of Work attached as Exhibit A at the time and place and in the manner specified therein. In the event of a conflict in or inconsistency between the terms of this Agreement and Exhibit A, the Agreement shall prevail.

- 1.1 **Term of Services.** The term of this Agreement shall begin on the date first noted above and shall end on March 31, 2007, the date of completion specified in Exhibit A, and Consultant shall complete all the work described in Exhibit A prior to that date, unless the term of the Agreement is otherwise terminated or extended, as provided for in Section 8. The time provided to Consultant to complete the services required by this Agreement shall not affect the City's right to terminate the Agreement, as provided for in Section 8.
- 1.2 **Standard of Performance.** Consultant shall perform all services required pursuant to this Agreement in the manner and according to the standards observed by a competent practitioner of the profession in which Consultant is engaged in the geographical area in which Consultant practices its profession. Consultant shall prepare all work products required by this Agreement in a substantial, first-class manner and shall conform to the standards of quality normally observed by a person practicing in Consultant's profession.
- 1.3 **Assignment of Personnel.** Consultant shall assign only competent personnel to perform services pursuant to this Agreement. Exhibit A shall name any specific personnel who shall be performing services. In the event that City, in its sole discretion, at any time during the term of this Agreement, desires the reassignment of any such persons, Consultant shall, immediately upon receiving notice from City of such desire of City, reassign such person or persons.
- 1.4 **Time.** Consultant shall devote such time to the performance of services pursuant to this Agreement as may be reasonably necessary to meet the standard of performance provided in Section 1.1 above and to complete Consultant's obligations hereunder.

Section 2. COMPENSATION. City hereby agrees to pay Consultant a guaranteed maximum price not to exceed \$ 38,780 for all services to be performed and reimbursable costs incurred under this Agreement. City shall pay Consultant for services rendered pursuant to this Agreement at the time and in the manner set forth herein. The payments specified below shall be the only payments from City to Consultant for services rendered pursuant to this Agreement. Consultant shall submit all invoices to City in

the manner specified herein. Except as specifically authorized by City, Consultant shall not bill City for duplicate services performed by more than one person.

Consultant and City acknowledge and agree that compensation paid by City to Consultant under this Agreement is based upon Consultant's estimated costs of providing the services required hereunder, including salaries and benefits of employees and subcontractors of Consultant. Hourly rates for personnel performing services shall be as shown in Exhibit B. Consequently, the parties further agree that compensation hereunder is intended to include the costs of contributions to any pensions and/or annuities to which Consultant and its employees, agents, and subcontractors may be eligible. City therefore has no responsibility for such contributions beyond compensation required under this Agreement.

2.1 Invoices. Consultant shall submit invoices, not more often than once a month during the term of this Agreement, based on the cost for services performed and reimbursable costs incurred during the billing period. Invoices shall contain the following information:

- A Task Summary containing the original contract amount, the amount of prior billings, the total due this period, the balance available under the Agreement, and the percentage of completion, if applicable;
- At City's option, for each work item in each task, a copy of the applicable time entries or time sheets shall be submitted showing the name of the person doing the work, the hours spent by each person, a brief description of the work, and each reimbursable expense;
- The total number of hours of work performed under the Agreement by Consultant and each employee, agent, and subcontractor of Consultant performing services hereunder, as well as a separate notice when the total number of hours of work by Consultant and any individual employee, agent, or subcontractor of Consultant reaches or exceeds 800 hours, which shall include an estimate of the time necessary to complete the work described in Exhibit A;
- The Consultant's signature.

2.2 Monthly Payment. City shall make monthly payments, based on invoices received, for services satisfactorily performed, and for authorized reimbursable costs incurred. City shall have thirty (30) days from the receipt of an invoice that complies with all of the requirements above and is otherwise acceptable to the City to pay Consultant. In the event that an invoice is not acceptable to the City, said invoice shall be returned to Consultant within thirty (30) days of the City's receipt of the invoice with a detailed explanation of the deficiency. City's obligation to pay a returned invoice shall not arise earlier than thirty (30) days after resubmission of the corrected invoice.

2.3 Total Payment. City shall pay for the services to be rendered by Consultant pursuant to this Agreement. City shall not pay any additional sum for any expense or cost whatsoever incurred by Consultant in rendering services pursuant to this Agreement. City shall make no payment for any extra, further, or additional service pursuant to this Agreement.

In no event shall Consultant submit any invoice for an amount in excess of the maximum amount of compensation provided above either for a task or for the entire Agreement,

unless the Agreement is modified prior to the submission of such an invoice by a properly executed change order or amendment. In the event that Consultant identifies additional work outside the scope of services specified in Exhibit A that may be required to complete the work required under this Agreement, Consultant shall immediately notify the City and shall provide a written not-to-exceed price for performing this additional work.

- 2.4 **Hourly Fees.** Fees for work performed by Consultant on an hourly basis shall not exceed the amounts shown on Exhibit B.
- 2.5 **Reimbursable Expenses.** Reimbursable expenses are shown on Exhibit B, and shall not exceed one hundred fifty dollars (\$150). Expenses not listed in Exhibit B are not chargeable to City. - 2.6 **Payment of Taxes.** Consultant is solely responsible for the payment of employment taxes incurred under this Agreement and any other applicable federal or state taxes.
- 2.7 **Payment upon Termination.** In the event that the City or Consultant terminates this Agreement pursuant to Section 8, the City shall compensate the Consultant for all outstanding costs and reimbursable expenses incurred for work satisfactorily completed as of the date of written notice of termination. Consultant shall maintain adequate logs and timesheets in order to verify costs incurred to that date. The City shall have no obligation to compensate Consultant for work not verified by logs or timesheets.
- 2.8 **Authorization to Perform Services.** The Consultant is not authorized to perform any services or incur any costs whatsoever under the terms of this Agreement until receipt of a written Notice to Proceed from the City.

Section 3. FACILITIES AND EQUIPMENT. Except as set forth herein, Consultant shall, at its sole cost and expense, provide all facilities and equipment that may be necessary to perform the services required by this Agreement. City shall make available to Consultant only the facilities and equipment listed in this section, and only under the terms and conditions set forth herein.

City shall furnish physical facilities such as desks, filing cabinets, and conference space, as may be reasonably necessary for Consultant's use while consulting with City employees and reviewing records and the information in possession of the City. The location, quantity, and time of furnishing those facilities shall be in the sole discretion of City. In no event shall City be obligated to furnish any facility that may involve incurring any direct expense, including but not limited to computer, cellular telephone, long-distance telephone, or other communication charges, vehicles, and reproduction facilities.

If the performance of the work specified in Exhibit A requires destructive testing or other work within the City's public right-of-way, Consultant, or Consultant's subconsultant, shall obtain an encroachment permit from the City.

Section 4. INSURANCE REQUIREMENTS. Before beginning any work under this Agreement, Consultant shall procure "occurrence coverage" insurance against claims for injuries to persons or damages to property that may arise from or in connection with the performance of the work hereunder by

the Consultant and its agents, representatives, employees, and subcontractors. Consultant shall provide proof satisfactory to City of such insurance that meets the requirements of this section and under forms of insurance satisfactory in all respects to the City. Consultant shall maintain the insurance policies required by this section throughout the term of this Agreement and shall produce said policies to the City upon demand. The cost of such insurance shall be included in the Consultant's price. Consultant shall not allow any subcontractor to commence work on any subcontract until Consultant has obtained all insurance required herein for the subcontractor(s) and provided evidence thereof to City. Verification of the required insurance shall be submitted and made part of this Agreement prior to execution.

- 4.1 Workers' Compensation.** Consultant shall, at its sole cost and expense, maintain Statutory Workers' Compensation Insurance and Employer's Liability Insurance for any and all persons employed directly or indirectly by Consultant. The Statutory Workers' Compensation Insurance and Employer's Liability Insurance shall be provided with limits of not less than ONE MILLION DOLLARS (\$1,000,000.00) per accident. In the alternative, Consultant may rely on a self-insurance program to meet those requirements, but only if the program of self-insurance complies fully with the provisions of the California Labor Code. Determination of whether a self-insurance program meets the standards of the Labor Code shall be solely in the discretion of the City Attorney. The insurer, if insurance is provided, or the Consultant, if a program of self-insurance is provided, shall waive all rights of subrogation against the City and its officers, officials, employees, and volunteers for loss arising from work performed under this Agreement.

An endorsement shall state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits, except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

4.2 Commercial General and Automobile Liability Insurance.

- c. An endorsement must state that coverage is primary insurance with respect to the City and its officers, officials, employees, contractors, consultants, and volunteers, and that no insurance or self-insurance maintained by the City shall be called upon to contribute to a loss under the coverage.
- d. Any failure of CONSULTANT to comply with reporting provisions of the policy shall not affect coverage provided to CITY and its officers, employees, agents, and volunteers.
- e. An endorsement shall state that coverage shall not be suspended, voided, or canceled by either party, reduced in coverage or in limits, except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

4.3.1 Any deductible or self-insured retention shall not exceed \$150,000 per claim.

4.3.2 An endorsement shall state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits, except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

 - b. Insurance must be maintained and evidence of insurance must be provided for at least three years after completion of the Agreement or the work, unless waived in writing by the City.
 - c. If coverage is canceled or not renewed and it is not replaced with another claims-made policy form with a retroactive date that precedes the date of this Agreement, Consultant must provide extended reporting coverage for a minimum of five years after completion of the Agreement or the work. The City shall have the right to exercise, at the Consultant's sole cost and expense, any extended reporting provisions of the policy, if the Consultant cancels or does not renew the coverage.

- 4.4.4 **Deductibles and Self-Insured Retentions.** Consultant shall disclose to and obtain the approval of City for the self-insured retentions and deductibles before beginning any of the services or work called for by any term of this Agreement.

During the period covered by this Agreement, only upon the prior express written authorization of the City, Consultant may increase such deductibles or self-insured

retentions with respect to City, its officers, employees, agents, contractors, consultants, and volunteers. The City may condition approval of an increase in deductible or self-insured retention levels with a requirement that Consultant procure a bond, guaranteeing payment of losses and related investigations, claim administration, and defense expenses that is satisfactory in all respects to the City.

4.4.5 Notice of Reduction in Coverage. In the event that any coverage required by this section is reduced, limited, or materially affected in any other manner, Consultant shall provide written notice to City at Consultant's earliest possible opportunity and in no case later than five days after Consultant is notified of the change in coverage.

4.5 Remedies. In addition to any other remedies City may have if Consultant fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, City may, at its sole option exercise any of the following remedies, which are alternatives to other remedies City may have and are not the exclusive remedy for Consultant's breach:

- Obtain such insurance and deduct and retain the amount of the premiums for such insurance from any sums due under the Agreement;

Section 5. INDEMNIFICATION AND CONSULTANT'S RESPONSIBILITIES. Consultant shall indemnify, defend with counsel reasonably acceptable to the City, and hold harmless the City and its officials, officers, employees, agents, contractors, consultants, and volunteers from and against any and all losses, liability, claims, suits, actions, damages, and causes of action arising out of any personal injury, bodily injury, loss of life, or damage to property, or any violation of any federal, state, or municipal law or ordinance, to the extent caused, in whole or in part, by the willful misconduct or negligent acts or omissions of Consultant or its employees, subcontractors, or agents, by acts for which they could be held strictly liable, or by the quality or character of their work. The foregoing obligation of Consultant shall not apply when (1) the injury, loss of life, damage to property, or violation of law arises wholly from the negligence or willful misconduct of the City or its officers, employees, agents, contractors, consultants, or volunteers and (2) the actions of Consultant or its employees, subcontractor, or agents have contributed in no part to the injury, loss of life, damage to property, or violation of law. It is understood that the duty of Consultant to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by City of insurance certificates and endorsements required under this Agreement does not relieve Consultant from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not

such insurance policies shall have been determined to apply. By execution of this Agreement, Consultant acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

- 8.1 **Termination.** City may terminate this Agreement at any time and without cause upon written notification to Consultant.

In the event of termination, Consultant shall be entitled to compensation for services performed prior to the effective date of termination as provided in Section 2. City, however, may condition payment of such compensation upon Consultant delivering to City any or all documents, photographs, computer software, video and audio tapes, and other materials provided to Consultant or prepared by or for Consultant or the City in connection with this Agreement.

Moreover, a substantial inducement to City for entering into this Agreement was and is the professional reputation and competence of Consultant. Consultant may not assign this Agreement or any interest therein without the prior written approval of the City. Consultant shall not subcontract any portion of the performance contemplated and provided for herein, other than to the subcontractors listed in the Consultant's proposal, without prior written approval of the City.

- 8.5 **Survival.** All obligations arising prior to the termination of this Agreement and all provisions of this Agreement allocating liability between City and Consultant shall survive the termination of this Agreement.
- 8.6 **Options upon Breach by Consultant.** If Consultant materially breaches any of the terms of this Agreement, City's remedies shall include, but not be limited to, any or all of the following:
 - 8.6.1 Immediate cancellation of the Agreement;

- 9.2 **Consultant's Books and Records.** Consultant shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the City under this Agreement for a minimum of three (3) years, or for any longer period required by law, from the date of final payment to the Consultant to this Agreement.

**SCOPE OF SERVICES
DEVELOPERS IMPACT FEE ANALYSIS
And
CONNECTION FEE UPDATE**

The scope below includes evaluation of two scenarios. Scenario 1 includes developments that the City currently anticipates will be added to the general plan as amendments (see attached spreadsheet), and Scenario 2 includes potential developments within the Transit Area Specific Plan in addition to the Scenario 1 developments.

Task 1 – Project Management

Task 1.1 Project Management and Quality Control. Provide project management services, including budget and schedule control; tracking, and payment for the duration of the project. Meet with client to discuss the TM findings and recommendations. Provide quality control on work products prior to submittal to City.

Task 2 – Land Use Update.

Task 2.1 Update Land Use with New Development Information. Update City's Hydra collection system model and City's H2OMap water distribution system model with information for the Proposed New Development obtained from the City. Develop a table showing the flows and demands for each proposed development and the increase in flow from the estimates in the 2004 Sewer Master Plan Revision and the 2002 Water Master Plan.

Deliverables:

For each of the two scenarios

- Updated maps showing the updated proposed new development changes since the 2004 Sewer Master Plan Revision and the 2002 Water Master Plan.
- Table of proposed developments and resulting estimated wastewater flows and water demands from each. The table will include the difference in flows and demands with and without the proposed developments.

Task 3 – Sewer Flow Impact Study

Task 3.1 Collection System Analysis with New Development Information. Using the updated collection system model (with new design flow files); analyze the collection system for compliance with existing City of Milpitas velocity and depth-of-flow criteria. Update the list of areas failing to comply with City's design criteria developed in the 2004 Sewer Master Plan Revision.

Task 3.2 Collection System Improvements for New Development. Updated potential improvements identified will be incorporated into the model for revised analysis.

Task 3.3 Capital Improvement Program for New Development. Update the long-term Capital Improvement Program presented in the 2004 Sewer Master Plan Revision based on results

2006 Sewer Capacity Review

from Task 3.2. For Scenario 2 projects, the recommended improvements set forth in the Transit Area Specific Plan will be included in the updated Capital Improvement Program. Budgetary cost estimates will be updated for each of the proposed facility improvements and expressed in FY2006/2007 dollars based on the latest Engineering News Record Construction Cost Index.

Task 3.4 Determine Main Pump Station Capacity with New Development. Update the required main pump station capacity (Peak Wet Weather Flow) using the New Development information.

Task 3.5 Determine Milpitas Average Dry Weather Flow Capacity to the WPCP with the New Development. The capacity of the City of Milpitas is defined by the average dry weather flow during any five-weekday period during the months of June through October. Update the capacity of City of Milpitas's average dry weather flow capacity to the WPCP using the New Development information.

Task 3.6 Determine Developers Impact Fee. The impact fee will be determined based on three factors:

- a. CIP Improvements – Cost difference between the baseline improvements, defined as the improvement needed under the General Plan and the Midtown Specific Plan, and the improvements determined in Task 3.3.
- b. Main Pump Station Capacity – Cost of the increase of the main pump station capacity as determined in the 2004 Sewer Master Plan Revision versus the capacity determined in Task 3.4. Unit costs will be based on information provided by the City.
- c. City of Milpitas Capacity to WPCP – Cost of the increased average dry weather flow to the plant

Task 3.7 Developers Impact Fee Analysis TM. Develop a Technical Memorandum summarizing findings, basis of the impact fees and recommendations.

Deliverables:

For each of the two scenarios

- Updated list of required improvements.
- Electronic copy of the Hydra hydraulic model scenarios (future conditions without collection system improvements, and future conditions with proposed collection system improvements under the two scenarios).
- Impact Fees. Summary showing the projected impact fees due to CIP improvements, main pump station capacity increases, and capacity costs at the WPCP. The impact fee per million gallon of average flow contribution will be provided.
- Technical Memorandum summarizing findings, basis of the impact fees and recommendations. Draft TM to be submitted 3 weeks after receiving notice to proceed; Final TM to be submitted one week after receiving comments from the City regarding the Draft TM.

Task 4 – Water Demand Impact Study

Task 4.1 Distribution System Analysis with New Development Information. Using the updated distribution system model (with new design flow files); analyze the distribution system for compliance with existing City of Milpitas velocity and head loss criteria. Update the list of areas failing to comply with City's design criteria developed in the 2002 Water Master Plan.

Task 4.2 Distribution System Improvements for New Development. Updated potential improvements identified will be incorporated into the model for revised analysis.

Task 4.3 Capital Improvement Program for New Development. Update the long-term Capital Improvement Program presented in the 2002 Water Master Plan based on results from Task 4.2. For Scenario 2, recommended projects developed for the Transit Area Specific Plan will be included in the updated Capital Improvement Program. Budgetary cost estimates will be updated for each of the proposed facility improvements and expressed in FY2006/2007 dollars based on the latest Engineering News Record Construction Cost Index.

Task 4.4 Determine Additional Supply Requirement from Wholesale Water Providers. Determine the amount of additional supply that must be purchased from the Santa Clara Valley Water District (SCVWD) or San Francisco Public Utilities Commission (SFPUC) to accommodate new demands as a result of the new developments.

Task 4.5 Determine Developers Impact Fee. The impact fee will be determined based on two factors:

- d. CIP Improvements – Cost difference between the baseline improvements, defined as the improvement needed under the General Plan and the Midtown Specific Plan, and the improvements determined in Task 4.3.
- e. Purchase of Additional Flow from Wholesale Water Providers – Cost difference of current planned water supply purchased from SCVWD and/or SFPUC and water supply requirements for proposed developments as determined in Task 4.4.

Task 4.6 Developers Impact Fee Analysis TM. Develop a Technical Memorandum summarizing findings, basis of the impact fees and recommendations.

Deliverables:

For each of the two scenarios

- Table of proposed developments and resulting estimated average, peak, and fire-flow demands from each.
- Updated list of required improvements.
- Electronic copy of the H2OMAP hydraulic model scenarios (future conditions without distribution system improvements, and the two scenarios of future conditions with proposed distribution system improvements).
- Impact Fees. Summary showing the projected impact fees due to CIP improvements, and purchase of additional water from SFPUC and/or SCVWD. The impact fee per million gallon of average flow contribution will be provided.
- Technical Memorandum summarizing findings, basis of the impact fees and recommendations. Draft TM to be submitted 3 weeks after receiving notice to proceed;

2006 Sewer Capacity Review

Final TM to be submitted one week after receiving comments from the City regarding the Draft TM.

Task 5 – Connection Fees Update

Task 5.1 Update Sewer Connection Fees. The sewer connection fees will be updated by updating Table 7-5 of the City of Milpitas Financial Utility Master Plan. Work includes:

- a. Inflating the infrastructure values including pipelines and pump station costs.
- b. CIP Improvements – Update the CIP and associated costs based on inflation and scheduling of projects.
- c. Calculating the connection fees per capacity unit.

Task 5.2 Update Water Connection Fees. The water connection fees will be updated by updating Table 7-2 of the City of Milpitas Financial Utility Master Plan. Work includes:

- a. Inflating the infrastructure values including pipelines, tanks, pump stations and wells costs.
- b. CIP Improvements – Update the CIP and associated costs based on inflation and scheduling of projects.
- c. Calculating the connection fees per capacity unit.

All work shall be completed by March 31, 2007.
